

ALL PURPOSE SPECIAL GREASE

LITHIUM BASED GREASE

DESCRIPTION

Veedol All Purpose Special greases are lithium based multi-functional, high temperature, water resistant multipurpose greases.

PERFORMANCE SPECIFICATIONS

Meets & exceeds the performance requirements of

- IS 12203 : 99 (Reaffirmed 2009)

APPLICATIONS

Recommended for all grease-lubricated parts of automobiles including commercial vehicles.

FEATURES/BENEFITS

- Good thermal and structural stability.
- Possesses high drop point and high oxidation resistance.
- Provides excellent protection against rusting and corrosion.

CHARACTERISTICS

Test Parameter	Test Method	Typical Value	
		AP-2 Special Grease	AP-2 Special Grease
NLGI Consistency	–	2	3
Texture	–	Smooth	Smooth
Soap type	–	Lithium	Lithium
Worked Penetration, 60st @25°C	ASTM D 217	280	242
Drop Point, °C	ASTM D 2265	195	195
